

## Homewood Suites Dover/Rockaway Offers Discounted Rate for Lodging

A Message from the Director of Sales to the CCM Community

We are able to offer a rate of \$89.00 plus tax for anyone who books anytime between now and the end of June. We also have the following protocols listed below in place for the safety of all of our guests. If anyone does need lodging they can reach out to me directly. Email is best since I am primarily working remotely but if they cannot reach me the front desk will have information as well listed under CCM. Thank you!

- \* In-house guest room cleaning has been suspended to eliminate contact with guests and staff.
- \* In-Room amenities are replenished upon request through new contact-less procedures. If needed, items are dropped off in a bag outside the door. Dirty linen/towels are placed in the bag and left in hallway for collection from our housekeeping team.
- \* Trash cans are left in hallway to be changed by hotel staff
- \* Additional spacing at front desk to allow adequate social distancing and contact-less check in.
- \* Buffet breakfast is now-grab and go bagged option only. Full buffet breakfast has been suspended per state orders until further notice
- \* Evening social buffet has been suspended per state orders until further notice
- \* Hallways, common areas, etc. are being cleaned and disinfected multiple times a day without any guest contact using industrial cleaner that kills viruses on contact.
- \* Pool is closed until further notice.
- \* Gym is closed until further notice.
