General

To ensure adequate consideration and planning is given to expenses incurred for business reasons; the “CCM Travel and Entertainment Policy” was amended **July 20, 2016** by the County College of Morris’ Board of Trustees. “Under this policy, CCM will reimburse all **permitted reasonable** and necessary travel, meal, and entertainment expenses actually incurred during a CCM business trip **or** CCM sponsored event. (athletic teams, student clubs and organizations) The expense reimbursement form can be found @ccm.edu under Faculty/Staff, E-Forms.

An “Expense Reimbursement Form” must be completed for reimbursement of expenses incurred on behalf of the College. In addition, it must be used to reconcile **all** appropriate travel expenses (see page 03.09.01 for detailed instructions), which include settlement of cash advances and reimbursement of expenses. **The Expense Reimbursement form must be filed within 10 business days of incurring the expense or completion of the trip in order to be reimbursed.** (15 days for Board members.) **Appeals based upon extenuating circumstances may be made to the Chair of the Board of Trustees. It can only be used for reimbursement requests for employees (not vendors).**

2. Enter employee name and phone extension. This will be the extension used by the Accounting Department if there are any questions regarding the form.
3. Non-Travel Expense Reimbursement section – This section is used to request reimbursement for **reasonable** expenses actually incurred for business purposes. If a request is being made for reimbursement of **meals**, the following approval process must be adhered to; advanced approval of such activities has been obtained by the employee’s executive officer, approval for an officer has been obtained by the President.
 - a. Enter the date that the expense was incurred.
 - b. Note a description of the item purchased.
 - c. Record the purpose (a reason) for the expense.
 - d. Using Colleague’s Account Balance Inquiry Screen (ACBL), make sure the budgeted funds are available for the selected account. Once the funds are confirmed available, enter the appropriate account number and amount. **Please note, if the budgeted funds are not available for the amount being requested, Accounts Payable can not process the request.** (If funds are not available, a budget change request form must be processed. See page 02.04.01 for detailed instructions.)
4. Travel Expense Reimbursement section – This section has multiple purposes; it is used to reconcile the total cost of the trip; it is used to request reimbursement for **reasonable** expenses incurred while on business travel; and it is used to refund CCM any amount due as a result of an excessive cash advance. **It must be completed within 10 business days of the end of the trip in order to qualify for reimbursement.** (15 days for Board members.) **Appeals based on extenuating circumstances may be made to the Chair of the Board of Trustees.**
 - a. Was this an out of state trip? If yes, check the appropriate box and attach the CCM Board of Trustees required statement of “Activities Attended and Value of Conference”. (This should be a narrative describing the benefits.)

- c. Enter the date(s) of the trip in the appropriate days' columns.
- d. If applicable, enter the registration fee in the appropriate days' columns. (Note: If the registration fee was paid in advance, it still needs to be recorded on the expense reimbursement form because this form also acts as a document that summarizes the total cost of the trip. At the bottom of the form, there will be an area to decrease the employee reimbursement request for the amount that was paid directly by the College.)
- e. If applicable, enter the hotel costs for room rental (by day) in the appropriate day's columns. Please see "Miscellaneous" section below for examples of inappropriate/non-refundable hotel costs. (Note: If the room cost was paid in advance, it still needs to be recorded on the expense reimbursement form because this form also acts as a document that summarizes the total cost of the trip. At the bottom of the form, there will be an area to decrease the employee reimbursement request for the amount that was paid directly by the College.)
- f. Enter transportation costs in the appropriate row and column.
 - 1. It is possible to have multiple forms of transportation costs.
