

COUNTY COLLEGE OF MORRIS Business and Finance Division Procedures	
Subject: STORMWATER POLLUTION PREVENTION PLAN	Page: 14.10.01
	Date: 1/25/05
	Rev: 10/24/18

General

In order to comply with the Public Complex Stormwater General Permit (“Permit”) issued by the New Jersey Department of Environmental Protection, the County College of Morris has adopted a stormwater Pollution Prevention Plan (“Plan”). Following procedures and guidelines outlined in the Plan is essential in maintaining full compliance with the Permit, thus protecting the state open waters and preventing any further degradation of the water quality.

This is to be implemented during all activities directly or indirectly related to stormwater.

Authority

Vice President for Business and Finance
Director of Plant and Maintenance
Director of Public Safety

Responsibility

Associate Director of Plant & Maintenance
Supervisor of Custodial and Grounds

Procedure

The County of Morris requires all facilities handling stormwater and any materials that may be exposed to and transported by stormwater, to be maintained in compliance with the Stormwater Pollution Prevention Plan (“Plan”) prepared for the County College of Morris by Garden State Engineering. Refer all questions regarding the Plan to Director of Plant and Director of Public Safety.
