Office of Institutional Research and Planning

Mission Statement

The mission of the Office of Institutional Research and Planning is to provide information that will enhance College effectiveness and support the planning and decision-making processes of the County College of Morris.

Preface

The data reported herein reflects student enrollment status at the County College of Morris as of the 10th day. The 10th day coincides with the completion of the deregistration process and includes students paid or registered and protected by Financial Aid. These figures are considered final for all Federal and State reporting. Additional activity might occur after this date which will impact the enrollment figures at the end of the semester. Graduation data reflects activity after the completion of the end of term process by Records and Registration.

If you should have any questions, please contact the office of Institutional Research and Planning.
