

Connecting to CCM-GUEST (Android)

CCM-GUEST is a wireless network for guests of CCM. To easily register and connect to CCM-GUEST, please follow these steps:

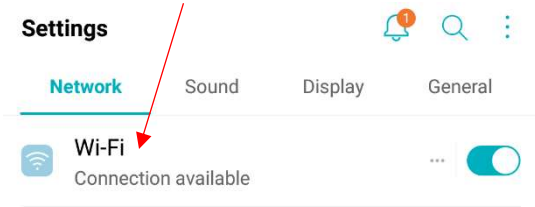

1. Tap on the all app icon on your home screen.

2. Find and tap on the Settings icon.

3. Tap on the Wi-Fi Setting.

4. Select CCM-GUEST.

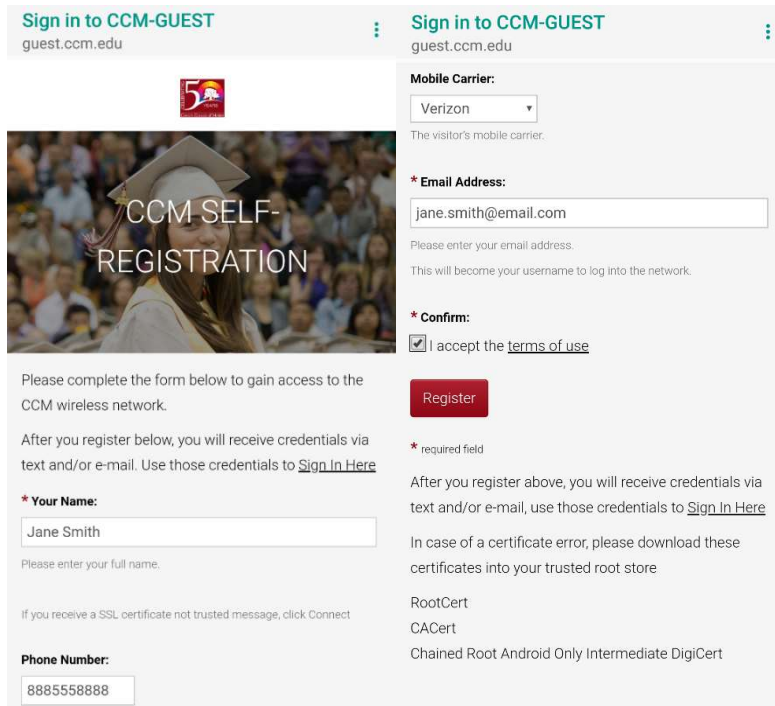

5. A "Self-Registration" page should pop up to register your temporary account.

A screenshot of the CCM Self-Registration page. At the top, there is a header with the text 'Sign in to CCM-GUEST' and the URL 'guest.ccm.edu'. Below this is a large image of a graduate in a cap and gown with the text 'CCM SELF-REGISTRATION' overlaid. Underneath the image, there is a form with the following text: 'Please complete the form below to gain access to the CCM wireless network. After you register below, you will receive credentials via text and/or e-mail. Use those credentials to [Sign In Here](#)'. The form has two sections: '* Your Name:' with a text input field and the instruction 'Please enter your full name.', and 'Phone Number:' with a text input field containing the number '8885558888'. There is also a small note: 'If you receive a SSL certificate not trusted message, click Connect'.

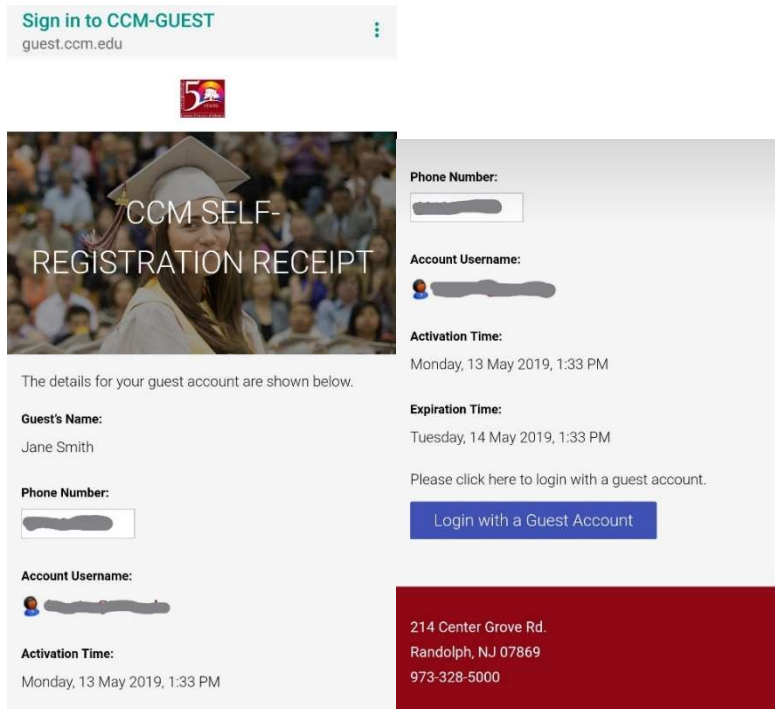

Connecting to CCM-GUEST (Android)

- Fill in your name, phone number, mobile carrier (to receive login information via text message), email address (an email that you have access to - personal or work), and check the "I accept the terms of use" when you agree to the terms. Click "Register" when you are done.

The screenshot shows the registration page for CCM-GUEST. At the top, there are two navigation links: "Sign in to CCM-GUEST" with the URL "guest.ccm.edu". Below this is a header with a "5" logo and a background image of a graduate with the text "CCM SELF-REGISTRATION". The main content area is split into two columns. The left column contains instructions: "Please complete the form below to gain access to the CCM wireless network." and "After you register below, you will receive credentials via text and/or e-mail. Use those credentials to [Sign In Here](#)". It includes a form for "Your Name" with the value "Jane Smith" and a "Phone Number" field with "8885558888". The right column contains a "Mobile Carrier" dropdown menu set to "Verizon", an "Email Address" field with "jane.smith@email.com", and a "Confirm" section with a checked checkbox for "I accept the terms of use". A red "Register" button is located below the confirm section. At the bottom right, there is a list of certificate types: "RootCert", "CACert", and "Chained Root Android Only Intermediate DigiCert".

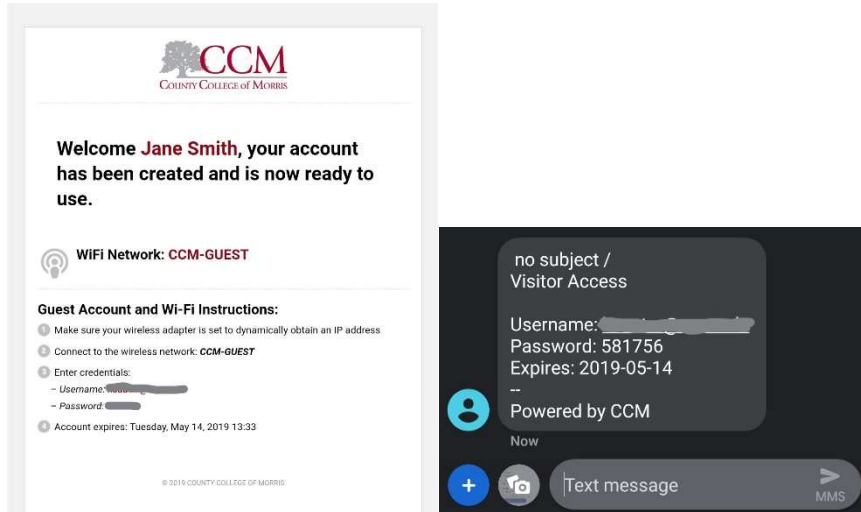

- A Receipt page should pop up giving you information about your Username and account activation. Click "Login with a Guest Account" when done.

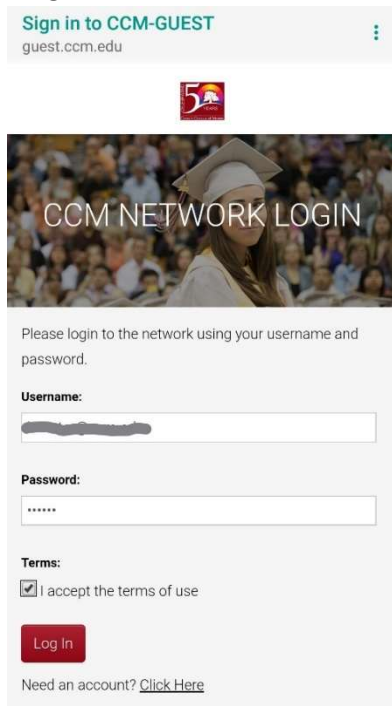

The screenshot shows the receipt page for CCM-GUEST. At the top, there are two navigation links: "Sign in to CCM-GUEST" with the URL "guest.ccm.edu". Below this is a header with a "5" logo and a background image of a graduate with the text "CCM SELF-REGISTRATION RECEIPT". The main content area is split into two columns. The left column contains the text "The details for your guest account are shown below." and lists the "Guest's Name" as "Jane Smith", the "Phone Number" (redacted), the "Account Username" (redacted), and the "Activation Time" as "Monday, 13 May 2019, 1:33 PM". The right column contains the "Phone Number" (redacted), the "Account Username" (redacted), the "Activation Time" as "Monday, 13 May 2019, 1:33 PM", and the "Expiration Time" as "Tuesday, 14 May 2019, 1:33 PM". Below this is a blue button labeled "Login with a Guest Account". At the bottom right, there is a red box containing the address "214 Center Grove Rd. Randolph, NJ 07869" and the phone number "973-328-5000".

Connecting to CCM-GUEST (Android)

- Depending on your mobile service, you should receive an email (to the email you entered in step 6) and/or text message from Clear Pass. This message will supply you with your Username, Password, and account expiration. You will need your Username and Password for the next step.

- Enter your Username and Password and check off the "I accept the terms of use" box. Then tap "Log In".

- You are connected to CCM-GUEST.
