

Santiago Gonzalez

Bio

Santiago Gonzalez was born in Denville, NJ. Growing up, Santi always had an interest in the arts. In the beginning of his college career, Santi studied biology, but later decided to find his passion for art, now studying how to become an animator. Studied at County College of Morris from 2018-2020. In his free time, he pursued video editing and youtube content creation. Santi aspires to become a character animator at an animation studio.
